

# CAREERCARE

## Do you want more out of your career?

CareerCare, VA Learning University's newest course, was designed specifically for employees at GS levels 5-8 or equivalent grade levels. The free online course lays the foundation for career success by teaching participants how to:

- **Identify their unique job skills and work interests**
- **Research alternate jobs or career fields at VA**
- **Prepare to apply for a new position or promotion**
- **Plan for the future by identifying the steps needed to move forward**

**Registration is now open.**
